

February 2021 Cubmaster Burke Minute:
A Scout is Friendly!

Our scouting skills were put to the test during storm Uri last week and tonight at our campfire, I enjoyed hearing great stories about how you cheerfully handled those challenges. You demonstrated bravery when you lost power and resourcefulness when you went without water in your homes. You were helpful and friendly scouts.

Do you know the definition of friendly?

A scout is friendly: 1. Kind and pleasant, 2. Favorable, 3. Not in conflict, 4. Serviceable

Friendship is a mirror. When you have a smile on your face as you greet someone, you will probably receive a smile in return. Then you are developing that friendship. If you are willing to be a good friend, you will find friendship reflected back to you. When you get up tomorrow morning and start your day, I encourage you to look in the mirror, smile, and try to find that reflection in others throughout your day.

May the father of scouting be with us all until we meet again.

Yours in Scouting,

Cubmaster Burke
